How to Obtain Covered Services

To obtain covered Services, call a Participating Provider to schedule an initial examination. If additional Services are required, verification that the Services are Medically Necessary may be required. Your Participating Provider will request any medical necessity determinations. An ASH Plan's clinician in the same or similar specialty as the provider of Services under review will decide whether Services are or were Medically Necessary. ASH Plans will disclose to you, upon request, the written criteria it uses to make the decision to authorize, modify, delay, or deny a request for authorization. If you have questions or concerns, please contact the ASH Plans Customer Service Department.

Second Opinions

You may request a second opinion in regard to covered Services by contacting another Participating Provider. A Participating Provider may also request a second opinion in regard to covered Services by referring you to another Participating Provider in the same or similar specialty.

Your Costs

When you receive covered Services, you must pay your Cost Share as described in the *Combined Chiropractic and Acupuncture Services Amendment* of your Health Plan *Evidence of Coverage*. The Cost Share does not apply toward the Plan Out-of-Pocket Maximum described in the Health Plan *Evidence of Coverage* (unless you have a plan with an HSA option).

Emergency and Urgent Chiropractic and Acupuncture Services

We cover Emergency Chiropractic Services, Emergency Acupuncture Services, Urgent Chiropractic Services, and Urgent Acupuncture Services provided by both Participating Providers and Non-Participating Providers. We do not cover follow-up or continuing care from a Non-Participating Provider unless ASH Plans has authorized the services in advance. Also, we do not cover services from a Non-Participating Provider that ASH Plans determines are not Emergency Chiropractic Services, Emergency Acupuncture Services, Urgent Chiropractic Services, or Urgent Acupuncture Services.
