

# Here's an overview of your CVS Caremark benefits.

## UHC Choice HDHP Standard Plan

Welcome to your new prescription benefit administered by CVS Caremark. Your prescription benefit is designed to bring you quality pharmacy care that will help you save money. Your annual deductible is \$1,750 for individual or \$3,500 for individual +1 and family coverage. **Your deductible is combined with medical and until this is met, you will pay 100% for your prescriptions.** If you have any questions about your prescription plan or costs call us at 1-844-345-2824. We can help any time after your plan starts.

Following is a brief summary of your prescription benefits. On the back side, you will find details about Maintenance Choice, which offers two ways for you to save on your long-term medications. CVS Caremark and Salesforce.com are confident you will find value with your new prescription benefit program.

Drugs that are covered at 100% include generic and brand oral contraceptives, all prescribed forms of birth control, and generic maintenance drugs for asthma, diabetes, hyperlipidemia, hypertension, and heart disease.

	Short-Term Medicines CVS Caremark Retail Pharmacy Network (Up to a 30-day supply)	Long-Term Medicines CVS Caremark Mail Service Pharmacy or CVS Pharmacy Locations (Up to a 90-day supply)
<b>Generic Medicines</b> Always ask your doctor if there's a generic option available. It could save you money.	<b>\$10</b> for one 30-day supply of a generic medicine <b>after deductible</b>	<b>\$20</b> for a generic medicine <b>after deductible</b>
<b>Preferred Brand-Name Medicines</b> If a generic is not available or appropriate, ask your doctor to prescribe from your plan's preferred drug list.	<b>\$25</b> for one 30-day supply of a preferred brand-name medicine <b>after deductible</b>	<b>\$50</b> for a preferred brand-name medicine <b>after deductible</b>
<b>Non-Preferred Brand-Name Medicines</b> Drugs that aren't on your plan's preferred list will cost more.	<b>\$40</b> for one 30-day supply of a non-preferred brand-name medicine <b>after deductible</b>	<b>\$80</b> for a non-preferred brand-name medicine <b>after deductible</b>
<b>*Specialty Medications</b>	<b>1 grace retail fill for a 30-day supply of specialty medicines (ongoing specialty fills must be dispensed through CVS Specialty Pharmacy and/ or may be picked up at a CVS Pharmacy).</b>	
<b>Annual Deductible</b>	<b>\$1,750 for individual/ \$3,500 for individual+1 and family coverage (combined with medical)</b>	
<b>Annual Maximum Out-of-Pocket</b>	<b>\$3,000 for individual/ \$6,000 for individual+1 and family coverage (combined with medical)</b>	

\*Specialty drugs include medications used for complex conditions such as cancer, Rheumatoid Arthritis, Multiple Sclerosis, and other rare conditions.

Copayment, copay or coinsurance means the amount a plan participant is required to pay for a prescription in accordance with a Plan, which may be a deductible, a percentage of the prescription price, a fixed amount or other charge, with the balance, if any, paid by a Plan.
